Oficio 17-CAMP-2021

Mr.
Tristan Monterroso
ZEDE Prospera
Technical Secretary

Dear Technical Secretary:

I wish to inform you that on July 3, 2021, the Standing Committee of the Committee for the Adoption of Best Practices, in use of the powers delegated to it by the Committee, agreed to approve the following regulations:

1. Prospera's Decentralized Regulation Statute
2. Amendment to Prospera's labor statute to increase the applicable minimum wage and create alternative recognition mechanisms for the 13th and 14th month.
3. Amendment to Prospera's tax statute to exclude capital gains from the concept of income for tax purposes
4. Miscellaneous amendments to Próspera's financial responsibility statute to clarify several concepts

Likewise, the Statute that modifies Prospera's Tax Statute to allow the purchase of TCMs with alternative means of exchange was approved with the observation that the same must be adequate in order to establish that, although ZEDE Prospera may freely determine the means of payment that is acceptable to it for the purpose of collecting taxes and fees within its jurisdiction, the percentage of tax revenues that correspond to the State of Honduras in accordance with the provisions of Article 44 of the Organic Law of the Employment and Economic Development Zones shall be paid in United States dollars calculated on the highest market value of the means of payment in the period between the receipt of the same by the ZEDE and the deposit in the respective trust.

If the value of the means of payment at the time of receipt and the deposit in the trust is reduced, the calculation will be based on the value of the means of payment at the time it was received by the ZEDE,

For any other matter, please do not hesitate to contact me.
